

ALBEMARLE 36 EXPRESS

Drawing upon the best features of our current model line up and combining them with feedback from our customers and dealers, our engineers designed the 36 Express to be rugged enough to take on the toughest seas and still provide the smooth, dry ride with the refined style that defines an Albemarle.

Built to be a flat-out fishing machine that is nimble enough to be managed by a crew of two, the 36 Express comes with an exhaustive list of standard high-quality, full-on fishing features. The centerline helm pod with 360-degree visibility and deep gunwales make it perfect for the serious tournament angler or charter captain.

The first-class living quarters boast numerous luxury upgrades and a well-appointed galley. The intelligent cabin configuration allows plenty of sleeping and entertaining options that make the 36 livable enough to spend a week heading for the next hot bite or just cruising. Proven to raise fish and Carolina tough, the 36 Express has already established itself as one of the most sought-after sportfishing boats on the water.

For more information about the Albemarle 36 Express, please contact Lauderdale Marina, exclusive sales and servicing dealership for Albemarle Sportfishing Boats in Southeast Florida.

ALBEMARLE 36 EXPRESS - PERFORMANCE DETAILS

Engine: Cummins 600 HP | Fuel: 535 gal/508 usable (95%) | Displacement: 29,000 full fluids with tower

RPM	SPEED (KNOTS)	FUEL CONS. (ENGINES ONLY)	RANGE NAUT. MI. (ENGINES)	HOURS @ SPEED
3000	32-34	64	262	7.9
2800	30-32	57	276	8.9
2600	28-30	46	320	11.0
2400	26-28	38	361	13.4
2200	24-26	32	397	15.9
2000	20-23	27	395	18.8

Fuel consumption is based on (2) engines at any given RPM. Range is based on 95% of standard fuel capacity. Actual performance will vary and be affected by water and weather conditions, load and conditions of boat, engines, and propellers. All data is illustrative and is not warranted.
